

Chelsom set to launch new collection

Following the 75th anniversary in 2022, the team at Chelsom are excited to announce their hotly anticipated brand-new collection, EDITION 28, which launches on 23rd May 2023 at Clerkenwell Design Week.

The product launch incorporates a complete makeover of its existing lighting collection as well as a brand-new website, new sub-brands and an accompanying new catalogue, for which Chelsom is world famous. The new website has enhanced functionality, beautiful imagery and numerous additional features provide an all-round improved customer experience.

The new collections are made up of an array

of different decorative lighting styles, designed specifically with global hospitality, marine and residential interiors projects in mind.

This eclectic collection has been designed in-house by Robert and Will Chelsom, where decades of experience and expertise has been the catalyst to building this world-class portfolio of products, carefully created to accommodate all tastes and applications.

The new collections will be on show at Clerkenwell Design Week within an exclusive and private exhibition space. This will be the first time Chelsom has exhibited at this globally recognised design event so don't miss it!
