CHELSON MANUFACTURING IN BRITAIN FOR BOTH STANDARD AND BESPOKE DESIGNS

Chelsom has spent decades as a leading supplier of British-designed lighting to projects around the world and has worked hard to ensure that it only offers the very best quality manufacturing. Chelsom manufactures and sub-contracts parts all over the world, but is especially proud of its home-grown manufacturing capabilities in the UK.

From headquarters in the North of England and through various local sub-contractors, Chelsom has a diverse and highly skilled team of engineers to help bring all design concepts to life.

Chelsom is incredibly proud to be a member of Made in Britain, an official mark that binds the company to an incredible British manufacturing community. Throughout a brand-new catalogue and website, the Made in Britain mark identifies all UK-manufactured products, whilst all bespoke designs can be considered for UK production.
