NEW LIGHTING COLLECTION FROM CHELSOM

EDITION 28 is the latest decorative lighting collection from Chelsom. This eclectic collection has been designed in-house by Robert and Will Chelsom where decades of experience and expertise has been the catalyst to building this world-class portfolio of product carefully created to accommodate all tastes and applications.

The launch incorporates a complete makeover of the lighting collection as well as a brand new website, new sub-brands and an accompanying

new catalogue, for which Chelsom are world famous. The new collections are made up of an array of different decorative lighting styles, designed specifically with global hospitality, marine and residential interiors projects in mind.

As a leading supplier of British designed lighting to projects around the world, Chelsom have worked hard to ensure that they only offer the very best quality manufacturing. Chelsom manufacture and sub-contract parts all over the world but are especially proud of their home-grown manufacturing capabilities in the UK.

Chelsom are honoured to be a member of Made in Britain, an official mark that

binds the company to an incredible British manufacturing community. Throughout the brand-new catalogue and website, the Made in Britain mark identifies all UK manufactured products, whilst all bespoke designs can be considered for UK production.

Whether specifying lighting for a hospitality, marine or residential project, EDITION 28 will offer designers lighting solutions that will hugely enrich any interior.
