ROBENA

The Ned London

Robena has recently completed the bespoke make-up and installation of curtains and soft furnishings in the guestrooms and public areas of The Ned, London. The luxurious pelmets, blinds and cushions for the 250 guestrooms and suites have been installed by Robena's highly skilled workforce to complement the former Grade I-listed building's historic architecture.

HAKWOOD

Wall Tiles

Newly launched from Hakwood, this collection of wall tiles enables designers to create a vertical statement. The pre-fabricated duoplank wood tiles are available in a variety of designs and dimensions, as well as being customisable by colour and depth. Used as a single strip, grouping, or floor-to-ceiling feature, the tiles are suitable for a multitude of uses, from reception backdrops to guestroom headboards.

ROMO

Renzo

Inspired by the architectural structures and geometry of urban environments, Renzo is a collection of statement vinyl wallcoverings featuring finishes evocative of distressed concrete and polished plaster. Opulent flashes of metallic including rich brass and lavish copper inject verve whilst balancing style and practicality.

CHELSON
Soho Wall Light

A signature fitting from Chelsom's Soho collection, the Soho Wall Light is a statement piece featuring deep vertical ribbing in polished aluminium and curved metal shades in satin black. Emitting an attractive spill of up and downlight to create an ambient effect, it can be adapted to suit both classical and contemporary interior design schemes.

MLE LIGHTING
Shelf

Extending its Shelf range to include a series of Northern European-inspired design pieces, MLE Lighting's Shelf family now includes a range of reading, floor and suspension lights designed by JOI Design. Featuring a mix of burnished and natural brass, the pieces emanate warmth and opulence. Shelf is suitable for both guestroom and public spaces, with seven different models of wall lamp available.

VERY WOOD
Capri

Designed by Matteo Thun Atelier and manufactured by Very Wood, Capri is an outdoor collection that responds to design requirements across the contract, hospitality and restaurant settings. A lounge seating system comprising sofas, armchairs, dining chairs, stools, tables, ottomans and sun loungers, the collection is characterised by the use of natural or untreated iroko wood.

GEOMETRIC FURNITURE
Rivington

Approaching its halfcentenary of manufacturing in 2018, design-led British brand Geometric Furniture has launched Rivington, a new collection of handcrafted contract furniture. Comprising a distinctive lounge chair, armchair and occasional table, the bespoke series is available in polished, painted and external timber finishes for use in both indoor and outdoor spaces.
