CHELSON MANUFACTURING IN BRITAIN FOR BOTH STANDARD AND BESPOKE DESIGNS

Chelsom have spent decades as a leading supplier of British designed lighting to projects around the world and have worked hard to ensure that they only offer the very best quality manufacturing. Chelsom manufacture and sub-contract parts all over the world but are especially proud of their home-grown manufacturing capabilities in the UK.

From their headquarters in the North of England and through various local sub-contractors, Chelsom have a diverse and highly skilled team of engineers that help bring all of their design concepts to life.

Chelsom are incredibly proud to be a member of Made in Britain, an official mark that binds the company to an incredible British manufacturing community. Throughout their latest catalogue and website, the Made in Britain mark identifies all UK manufactured products, whilst all bespoke designs can be considered for UK production.
